ENVIRONMENT

A court in Brazil reopens the case of a rainforest park larger than New York City

A state court backpedaled Monday and reopened a lawsuit that invalidated a protected area in Brazil's Amazon. The judicial reversal is a setback for a cattle rancher.

ANIMALS

Stranded whale dies after a rescue operation to remove it from a French river

A veterinarian said that during the rescue operation, the dangerously thin white mammal began to have breathing difficulties, and so experts decided to humanely euthanize the creature.

SHOTS - HEALTH NEWS

With supplies low, FDA authorizes a plan to stretch limited monkeypox vaccine doses

The Biden administration is allowing the shot to be given between layers of skin — a method that only requires a fifth of the full dose — in order to increase vaccinations and slow the outbreak.
